| What type of equipment are you looking for? Please be as specific as possible such as a brand or type in order for us to try to find a similar item in our inventory. | | |
| Wheelchair requests: Are you looking for a wheelchair that your child could propel or one that would be pushed by an adult? (If not applicable, please put N/A) | | |
| Wheelchair or medical stroller requests: Although medical strollers do typically fold down, the large strollers for older children and teens are still quite large even when folded. They may not fit in the trunk of a smaller car. Many of the wheelchairs in our inventory do not easily fold down or come apart and would not fit in some vehicles. What kinds of features are you looking for in regards to the ability to fold for transport? (If not applicable, please put N/A) | | |
| Wheelchair requests: Do you need bus tie downs as an accessory? (If not applicable, please put N/A) | | |

Wheelchair, medical stroller, positioning chair, or stander requests: Does your child have any specific seating needs such as the need to be able to be reclined or need for significant head/neck/trunk support? (If not applicable, please put N/A)

Wheelchair, positioning chair, or stander requests: Do you need a positioning tray with the equipment being requested? (If not applicable, please put N/A)

Walker or gait trainer requests: What kinds of supports/accessories are you looking for? Some possible options may include: forearm supports (left, right, both), full gait trainer support, pelvic/hip stabilizers, or fold down seat. (If not applicable, please put N/A)

Bath/shower chair requests: What kinds of features are you looking for? Some possible options may include: incline/recline, safety straps, or stand to elevate chair for showering. (If not applicable, please put N/A)

We are a volunteer based non-profit and the volunteers for the Lending Garage have specific availability for scheduling equipment pick up (see schedule for upcoming dates/times). Most equipment can fit into a mini-van or SUV with some seats down. Would you be able to attend one of the scheduled times and would you have a means to transporting the equipment from the Lending Garage to your home?

Would you allow Riddick's Ride to share a picture of your child using the equipment once obtained and/or the story of how this equipment has helped your child? (Not required and does not impact your request, but allows us to share stories about our organization and assists with our fundraising as a non-profit).

Please add any additional comments that would assist us in trying to locate the equipment you are searching for:

Thank you for your application and for supporting Riddick's Ride.
